**FREE** Online resources are available on the Library & Resources page of the Air Force portal and the DoD MWR Digital Library page of the Military Onesource.

## For Beginner Readers

BookFlix (from Scholastic) is a digital literacy resource that pairs classic video storybooks with related nonfiction titles to reinforce early reading skills and develop real-world knowledge. This cultivates key reading skills, supports reluctant readers and ELL students, and builds fluency, vocabulary, and reading comprehension. Please check to make sure that every computer that will access BookFlix meets the necessary technical requirements (<http://bookflix.scholastic.com/browsercheck>).

## American History

FreedomFlix (from Scholastic) is a digital literacy resource that brings history to life by capturing the dramatic and defining moments in American history. Features dynamic Children's Press best-selling Cornerstones of Freedom series e-books. Computer technical requirements available at (<http://bookflix.scholastic.com/browsercheck>)

## Learn a Foreign Language

Mango Languages is a digital language learning program for learners of all levels, with courses in over 70 different foreign languages, 21 English Language Learning courses, and 44 specialty courses designed to celebrate world cultures.

Offering more than 50 complete units of study with over 6500 science-related assets in a variety of media, ScienceFlix (from Scholastic) provides students with a better understanding of science concepts and ideas through hands-on projects, videos, multiple text types, interactive features and more.

## SCIENCES

TrueFlix offers dozens of units to supplement social studies and science core curricula learning.

National Geographic Kids from Gale is strategically tailored to meet the learning and educational interests of children, with special focus placed upon science, exploring nature, learning about different cultures, and archaeology and space.

## Explore Nature

EBOOKS, AUDIOBOOKS, MOVIES & MORE!

## Biography

Biography in Context includes more than 650,000 contemporary and historical biographies. Biographical videos, audio selections, primary sources, magazine and journal resources included.
